

# Questions to Ask During Procurement of CE Management System

Choosing a scalable Continuing Education Management Solution that continually meets your needs takes thoughtful deliberation and evaluation.

What is included when I purchase my CE Management System?

Will the CE Management System support new changes, so all stakeholders are compliant now, as regulations change in the future?

Will the CE Management system increase your awareness of your licensed professionals' status?

Will the CE Management System increase your licensed professionals' awareness of their compliance requirements?

Will the CE Management System support your licensed professionals and help them get the education they need to remain compliant?

Will the system manage and protect sensitive information according to your and your licensed professionals' standards?

Are there measures to protect against information loss?

How long does it take to implement an automated system like this?

What kind of support is available during implementation to help streamline board functions?
